## DR. GARNETT'S RED BLOOD AND NERVE PILLS FOR PALE PEOPLE.

Pure blood is the secret of health and beauty. The features may be regular, the form perfect, but no woman can be beautiful in the full sense of the word while suffering from any of the peculiar ailments of her sex. Disease destroys the complexion, is productive of wrinkles, and premature old age. Regular monthly uterine action is necessary to every woman's health and if the function of life is checked, disease, a pale and sallow complexion, and a feeling of exhaustion are the results. The monthly secretion must continue from Puberty to the Turn of Life without unnatural obstruction. Any breach of this law of nature will result in the distressing symptoms which make the lives of sevenths of the women of this country miserable, almost unbearable. A few of these symptoms are severe headaches, loss of appetite, etc., etc. The sufferer may exhibit one or more of these symptoms, or may have all. They simply indicate the ravages disease has made upon the system, and the more of these symptoms the patient shows the greater the necessity for prompt and persistent treatment, until they have been banished, and the bloom of health is restored. To accomplish this end Dr. Garnett's Red Blood and Nerve Pills are the only unfailing remedy. They positively cure all suppressions and irregularities, which, if neglected inevitably entail sickness and trouble. By taking these Pills for a week or ten days before the expected return of such period, the prompt appearance of the "visitor" is ensured. For suppressions, Pills must be taken steadily until reappearance takes place—generally in a month's time, sometimes less. Follow the directions on the pamphlet about each box. Nursing women will find their milk improved in quality and quantity by taking these Pills, and also obtain relief from the pain in the back, and general dragged-out feeling. All displacements from weakness of the Uterine Ligaments are speedily relieved and ultimately cured by the faithful use of these Pills. Leucorrhœa, Bearing Down, Weight in the Pelvis, and all Female Weakness find speedy relief and cure in the administration of Dr. Garnett's Red Blood and Nerve Pills for Pale People.

NOTE—Pregnant women are cautioned not to take these Pills until after the fourth month. For full directions see pamphlet around each box.

## THE CHANGE OF LIFE.

The most critical period in the life of woman is that attending the cessation of menstruation, or as it is most generally termed the Change or Turn of Life. The symptoms attending this period are Fainting Spells or attacks of Fainting or Dizziness, Headache, General Debility, Exhaustion, a Feeling of Melancholy, Hysteria, Pain in the Loins or Limbs, Hypochondria, etc. The change is a gradual one—for better or worse—for the former if the patient is wise enough to fortify the system against the ravages of the symptoms attending the change. For this change no remedy ever discovered equals Dr. Garnett's Red Blood and Nerve Pills. They purify the blood by acting directly on the sexual system, lessen the severity of this critical period, and finally leave the patient in the enjoyment of robust health. All ladies approaching this critical period should take Dr. Garnett's Red Blood and Nerve Pills.

## PALE AND SALLOW GIRLS.

What can be more distressing than to see a girl drooping and fading in the spring-time of youth. Instead of bright eyes, glowing, rosy cheeks, and an elastic step, there are dull eyes, pale, sallow, or greenish complexion and a languishness of step that bespeaks disease and an early death if proper treatment is not promptly resorted to and persisted in until the impoverished blood is enriched, and the functions of life become regular. Upon parents rests a great responsibility at the time their daughters are budding into womanhood. If your daughter is pale, complains of weakness, is "tired out" upon the slightest exertion; if she is troubled with headache, pain in the side; if her temper is fitful and her appetite poor, she is in a condition of extreme peril, a fit subject for the development of that most dreaded of all diseases—Consumption. If you notice any of the above symptoms, lose no time in procuring Dr. Garnett's Red Blood and Nerve Pills. They will assist the patient to develop properly and regularly; they will enrich the blood, and restore health's roses to the cheeks, bright eyes and lightness of step will surely follow their use and all danger of consumption and a premature death will be averted. Wise and prudent mothers will insist upon their daughters taking Dr. Garnett's Red Blood and Nerve Pills upon the approach of the period of Puberty, and thus avoid all chance of disease or early decay. Owing to the nature of many diseases which these Pills reach, it is almost impossible to obtain the consent of persons who have received permanent cure to allow their names to appear before the public. We have numerous testimonials from those who have experienced the greatest benefit from taking Dr. Garnett's Red Blood and Nerve Pills for Pale People.
